LAMB & OKANAGAN APPLE

Although prescribed as a 'single source' of protein for diet-sensitive dogs, most lamb diets contain chicken ingredients and inappropriate plant proteins. That's why ACANA Lamb & Okanagan Apple features unmatched inclusions of ranch-raised lamb as a single-source animal ingredient.

Free of high glycemic grains, ACANA features local fruits and vegetables, including 10% of Red Delicious Okanagan valley apples delivered fresh for unmatched flavor.

Prepared exclusively in our award-winning kitchens, ACANA Lamb & Okanagan Apple is guaranteed to keep your cherished dog happy, healthy and strong.
